SOLUTIONS FOR ENTERPRISE-WIDE PROCUREMENT

Issue 5

SEWP Mission Statement

As an established and agile leader in the Federal Acquisition Community, the SEWP Program Office manages a suite of government-wide IT product solution contracts that provide NASA and all Federal Agencies with timely access to mission critical technologies.

The Program provides best value and cost savings for the Federal Government and American taxpayer through innovative procurement tools and processes; premier customer service and outreach; and advocacy of competition and cooperation with industry.

Vision Statement

SEWP will solidify its reputation as an innovative, customer-focused program as it seamlessly transitions to SEWP V and will be a visible, leading contributor to NASA and the Federal IT Acquisition Community.

SEWP V Update

The end of the effective ordering period for the SEWP IV contracts is April 30, 2015. The effective ordering period for the SEWP V contracts begins on May 1, 2015. While the SEWP V contracts have not yet been awarded, it is anticipated that the number of Contract Holders will increase. NASA will announce SEWP V awardees prior to May 1st through FedBizOps. Once the awards are announced publicly, the information will be posted at www.sewp.nasa.gov/sewpv.
